Heritage Garden

Heritage Garden is our flagship range of classic garden products, a combination of British culture, craftsmanship and the highest quality materials.

Inspired by traditional gardens and the nation's love of horticulture, this exclusive range includes prestigious pots, planters and birdbaths that combine traditional design with contemporary style.

Glazed and fired to over 1000°C, highly durable and weather resistant. Our unique glaze recipes create beautiful reactive finishes on our clay pots

Promotional Terracotta

Crafted using only 100% natural terracotta and fired in kilns fuelled by waste rice husks, our terracotta pots are created with sustainability in mind. From traditional shapes to contemporary styles, there is a terracotta pot to suit every style of garden.

Sustainably produced
using waste rice husks
to fuel the kiln

Why Ecopots?

ECOPOTS

Durability by design

Clean, simple lines. A minimalist design where functionality goes hand in hand with beauty. Made from recycled materials with a unique, handmade finish and completely recyclable. Belgian designed Ecopots follows the Scandinavian design philosophy which brings a sense of calm that so many are missing in their daily, stressful life.

AMSTERDAM HIGH

Contemporary Planters

Developed in line with gardeners' changing needs, the Contemporary range includes lightweight planters as well as stylish designs and colours to suit modern outdoor spaces.

Architecturally designed
in Britain, perfect for
modern gardens

Outdoor Heating

Our range of chimeneas can be used with most traditional fuel types and create the perfect atmosphere for friends and family for summer evening garden parties. Although our chimeneas are weather proof we do advise you to cover these products when not in use or to treat them to keep them in prime condition. These products will oxidise over time to give a beautiful rusted finish.

Minimal assembly is required on all lines, assembly instructions are included.
